Motto: Together for a different way of being

"Zbor de copil" International Charity Music and Arts Festival is part of the **Fundraising Campaign for Victims of Domestic Violence**, a campaign initiated by **ADRA Romania**. Apart the joy of singing and artistic activities, it is the blessing we want the children and young people participating in the Festival to feel, to be useful and to support children and mothers in situations of abuse. This is the message we want to convey through this initiative.

Regarding the participants from outside Romania (Europe), the aspects related to the possibility of transmitting medals and trophies, will be discussed with the coordinating teachers. For other continents, the way of rewarding the participants, together with the teachers, partners of the campaign, will be established.

Although we want that all participants be rewarded in the same way, regardless of the country of registration, we still recognize the geographical limits and therefore we will discuss with the coordinating teachers the best cost / benefit option.
